

Self-Staging From The Inside Out Workbook 2nd Edition The Lipomas have created and presented their communication and organizational development training workshops for community groups, small businesses, and Fortune 500 companies across the United States. They live in Georgia and have three children, whom they believe are aliens sent from another galaxy to deprive them of sleep. LORI LIPOMA is a Lecturer in English at the University of West Georgia, where she teaches composition, World Literature, Mythology and Religion, Graphic Novel, and Oral Communication in Everyday Life. MICHAEL LIPOMA has thirty years experience in product development, project management, and executive management, primarily in the role of VP of Research and Development. He now heads an Innovations group for a medical device manufacturer.
